

# President

The President is the primary volunteer liaison to the regional and national CUPA-HR boards with the responsibility for oversight of the Chapter and promoting the Association's mission, as well as adhering to all national compliance requirements for the chapter. The majority of the contact with the CUPA national office happens surrounding the chapter's events, the annual financial reporting, and attendance at the Annual Leadership Program. The President provides leadership to the Board, especially in its role to set policy for the chapter, in establishing the chapter's annual calendar, and as the facilitator for the monthly Board conference call meetings. The President will set the monthly Board meeting agenda with input from the President-Elect. The President ensures Board continuity and sustainability by supporting Board officer and chapter volunteer recruitment efforts. The President may suggest working groups as he or she determines is advisable to assist in accomplishing the mission and goals of the Chapter. This Board position is the **second of a three-year** commitment that began as President-Elect, and ends as Past-President. The estimated time commitment for this role is 5-10 hours per month. **Candidates must be from a national CUPA member institution.**
