Steal one thing...

Let's take a few minutes to brag, what is something you or your campus is doing really well at right now?

Where has CUPA-HR helped support you and/or your work?

Let's leap to next week, month or season

What is one thing that you will take back with you to your campus from this session?

Is there any CUPA-HR Resource that you are excited about, that you plan to dig into when you return?

Thank you!

Any questions?

Feel free to reach out with me or to your IL CUPA-HR Board Members
