Meetings of the Chapter may be postponed or suspended by the Board of Directors when necessary because of exceptional circumstances but notification of such postponement or suspension and the reason therefore shall be given to the membership whenever possible at least thirty days in advance of the date on which the meeting of the Chapter ordinarily would be held.

Except as herein provided "Robert's Rules of Order as Revised" shall govern the proceedings of the Chapter during the Annual Meeting.

### **Section 2. Board of Directors Meetings**

The Board of Directors shall meet at the call of the Chapter President, and a majority of the membership of the Board shall constitute a quorum for the purpose of transacting business. Except as provided elsewhere in these Bylaws, a majority vote of board members present and voting at a properly called meeting shall be sufficient to carry any matter before the board.

## **ARTICLE VII. LIMITATION OF LIABILITY, INDEMNIFICATION AND INSURANCE**

### **Section 1. Authority to Indemnify**

The Chapter may indemnify a person made a party to a proceeding because the person is or was an authorized representative against liability incurred in the proceeding if: (a) The person's conduct was in good faith; and (b) The person reasonably believed: (I) In the case of conduct in an official capacity with the Chapter, that the conduct was in the Chapter's best interests; and (II) In all other cases, that the conduct was at least not opposed to the Chapter's best interests; and (c) In the case of any criminal proceeding, the person had no reasonable cause to believe the conduct was unlawful. An authorized representative's conduct with respect to an employee benefit plan for a purpose the authorized representative reasonably believed to be in the interests of the participants in or beneficiaries of the plan is conduct that satisfies the requirement of this Section. An authorized representative's conduct with respect to an employee benefit plan for a purpose that the authorized representative did not reasonably believe to be in the interests of the participants in, or beneficiaries of, the plan shall not be deemed to satisfy the requirements of this Section. The termination of a proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that the authorized representative did not meet the standard of conduct described in this Section.

The Chapter may not indemnify an authorized representative under this Section: (1) in connection with a proceeding by or in the right of the Chapter in which the authorized representative was adjudged liable to the Chapter; or (2) in connection with any other proceeding charging that the authorized representative derived an improper personal benefit, whether or not involving action in an official capacity, in which proceeding the authorized representative was adjudged liable on the basis that the authorized representative derived an improper personal benefit. Indemnification permitted under this Section in connection with a proceeding by or in the right of the Chapter is limited to reasonable expenses incurred in connection with the proceeding.

Notwithstanding above, and unless otherwise provided in the Chapter's articles of incorporation, an authorized representative of the Chapter who is a party to a proceeding may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction.

### **Section 2. Mandatory Indemnification**

Unless limited by its articles of incorporation, the Chapter shall indemnify an authorized representative who was wholly successful, on the merits or otherwise, in the defense of a proceeding to which the authorized representative was a party because he or she is or was an authorized representative of the Chapter against reasonable expenses actually incurred by the authorized representative in connection with the proceeding.

### **Section 3. Advances of Expenses**

The Chapter may pay for or reimburse the reasonable expenses incurred by an authorized representative who is a party to a proceeding in advance of final disposition of the proceeding if: (1) the authorized representative furnishes the Chapter a written affirmation of his or her good faith belief that he or she has met the standards of conduct described in Section 1 of this Article; (2) the authorized representative furnishes the Chapter a written undertaking, executed personally or on the authorized representative's behalf, to repay the advance if it is ultimately determined that the authorized representative did not meet the standard of conduct; and (3) a determination is made that the facts then known to those making the determination would not preclude indemnification under this chapter. The undertaking required by this Section must be an unlimited general obligation of the authorized representative but need not be secured and may be accepted without reference to financial ability to make repayment. Determinations and authorizations of payments under this section must be made in the manner specified in Section 4 of this Article.

### **Section 4. Determination and Authorization**

The Chapter may not indemnify an authorized representative under Section 1 of this Article unless authorized in the specific case after a determination has been made that indemnification of the authorized representative is permissible under the circumstances because the authorized representative has met the standard of conduct set forth in Section 1 of this Article. A nonprofit corporation shall not advance expenses to a director under Section 3 of this Article unless authorized in the specific case after the written affirmation and undertaking required by Section 3 of this Article is received and the determination required by Section 3 of this Article has been made. The determination shall be made: (a) By the board of directors by a majority vote of those present at a meeting at which a quorum is present, and only those directors not parties to the proceeding shall be counted in satisfying the quorum; or (b) If a quorum cannot be obtained, by a majority vote of a committee of the board of directors designated by the board of directors, which committee shall consist of two or more

directors not parties to the proceeding; except that directors who are parties to the proceeding may participate in the designation of directors for the committee. If a quorum cannot be obtained as contemplated in paragraph (a) of this Section, and a committee cannot be established under paragraph (b) of this Section, or, even if a quorum is obtained or a committee is designated, if a majority of the directors constituting such quorum or such committee so directs, the determination required to be made this Section shall be made: (1) By legal counsel selected by a vote of the board of directors or the committee in the manner specified in paragraph (a) or (b) of this Section or, if a quorum of the full board cannot be obtained and a committee cannot be established, by legal counsel selected by a majority vote of the full board of directors; or (2) By the voting members, but voting members who are also directors and who are at the time seeking indemnification may not vote on the determination. Authorization of indemnification and advance of expenses shall be made in the same manner as the determination that indemnification or advance of expenses is permissible; except that, if the determination that indemnification or advance of expenses is permissible is made by legal counsel, authorization of indemnification and advance of expenses shall be made by the body that selected such counsel.

### **Section 5. Insurance**

The Chapter may purchase and maintain insurance on behalf of a person who is or was an authorized representative of the Chapter, or who, while an authorized representative of the Chapter, is or was serving at the request of the Chapter as a director, officer, partner, member, manager, trustee, employee, fiduciary, or agent of any domestic or foreign entity or of any employee benefit plan, against liability asserted against or incurred by the person in that capacity or arising from the person's status as an authorized representative, whether or not the Chapter would have power to indemnify the person against the same liability under Sections 1 or 2 this Article.

### **Section 6. Definitions**

For purpose of this Article, the term "authorized representative" shall mean a director, member, officer, employee, or agent (including each former director, member, officer, employee, or agent) of the Chapter or of any corporation controlled by the Chapter, or a trustee, custodian, administrator, committeeman, or fiduciary of any employee benefit plan established and maintained by the Chapter or a person serving another corporation, partnership, joint venture, trust, or other enterprise in any of the foregoing capacities at the request of the Chapter.

For purposes of this Article, references to "the Chapter" shall include, in addition to the surviving corporation, any merging corporation (including any corporation having merged with a merging corporation) absorbed in a merger involving the Chapter which, if its separate existence had continued, would have had the power and authority to indemnify its directors, members, officers, employees or agents, so that any person who was a director, member, officer, employee or agent of such merging corporation, or was serving at the request of such merging corporation as a director, member, officer, employee or agent of another corporation, partnership, joint venture trust or other enterprise, shall stand in the same position under the provisions of this Section with respect to the surviving corporation as such person would have with respect to such merging corporation if its separate existence had continued.

## **ARTICLE VIII. AMENDMENTS**

Any provision in these Bylaws may be amended by a two-thirds majority vote of members present and voting at the regular annual business meeting of the Chapter, or by a two-thirds majority of the votes cast in the event of a ballot, provided that members of the Chapter have access to any proposed amendment or amendments at least thirty days prior to the closing date for receipt of votes as expressed in the proposed amendment(s) provided to members. Notice to members of the Chapter may be delivered via posting on the Chapter Web site, by publication in the Chapter newsletter, or by written distribution to members. If notification via posting on the Web site is selected, members will be alerted with an e-mail directing them to the site.

## **ARTICLE IX. DISSOLUTION OF THE CHAPTER**

The Chapter may be dissolved upon a two-thirds vote of the full Chapter Board. Upon the dissolution and liquidation of the Chapter, the Board of Directors shall, after paying or making provisions for the payment of all liabilities of the Chapter, distribute all Chapter assets to a nonprofit fund, foundation, association, or corporation in the Human Resources field which is recognized and operated exclusively for charitable and educational purposes with the meaning of Sections 501(c)(3) and

170(c)(2)(B) of the Internal Revenue Code of 1954, or the corresponding provisions of any future United States Internal Revenue Law, as selected by the Board of Directors.

Any such assets not so disposed of shall be disposed of by the Court of Common Pleas, or the equivalent thereof, of the county in which the principal office of the Chapter is then located, exclusively for such purposes or to such organization or organizations as said Court shall determine, which are organized and operated exclusively for such purposes.

## **ARTICLE X. MISCELLANEOUS**

### **Section 1. Methods of Voting**

The Chapter is at liberty to utilize any method of communication approved by majority vote of their Board to conduct elections (including nominating procedures) or to vote on bylaws changes. Such methods may include, but not be limited to, secret ballots, e-mail ballots, written ballots, mail ballots, or a combination thereof. Where specific reference is made herein to ballot type, this provision shall take precedence.
